

Hello!

You have a new neighbour. Just a few street corners away is a welcome new addition to the Sherbrooke West restaurant and lifestyle cornucopia.

If the idea of freshly-prepared sushi at friendly prices appeals to you, come and visit chef Ten Ten at Sushi Yu Mi, 5124-A Sherbrooke West (between Grey and Vendome). Come and taste and enjoy the results of his expertise!

You won't find: a fridgeful of pre-prepared, ready-to-go sushi in plastic boxes. At Yu Mi, sushi is made strictly to order — you order it and then it's made.

You'll love: the casual atmosphere and the delicious sushi creations by Ten Ten, one of Montreal's most innovative and accomplished sushi chefs.

You'll want to try: one of Ten Ten's organic sushi rolls (organic rice, organic fish, organic vegetables), and one of his special numaki rolls (new and unique to Yu Mi).
